## AIBE Announcements

On account of an order passed by the High Court of Calcutta, the results of the All India Bar Examination ("AIBE") held on January 8, 2012 are not being released on January 31, 2012. The BCI is taking requisite steps with respect to the same and shall intimate all candidates once the results for the AIBE to be held on January 8, 2012 can be declared.

Further, as mentioned earlier, the AIBE will be held on fixed dates from the next academic year onwards so that candidates are aware of the schedule in advance. The date for the next AIBE will be intimated shortly.

The BCI apologises for the inconvenience caused to candidates on the above account. Any candidate who requires assistance is requested to contact the BCI (through email or over the AIBE helpline).

Yours Sincerely,

Ashok Parija

Chairman
