Provided the same privilege shall be also extended to Persons of Indian Origin or Overseas citizen of India, as the case may be.

41. Enlisting a Foreign University

The Bar Council of India in consultation with Legal Education Committee may consider the application of a foreign University to enlist the name of the University in the Schedule V of these rules. The degree in law obtained from which Foreign University by an Indian national shall be considered for the application preferred under Rule 37 above.

42. Recognition of a Foreign University

(I) For the purpose of recognition of Degree in Law under Rule 37 above, any Foreign University may apply to the Bar Council of India for granting recognition to such University.

(II) Such application shall contain (i) History of the University, (ii) its Handbook, Brochure, Prospectus containing courses of study, (iii) University’s standing in the Accreditation list made officially or by any recognized private body, and (iv) any other information that the Bar Council of India may prescribe from time to time and subject to inspection by the Bar Council of India of the University, if necessary.

The recommendation of Legal Education Committee shall be placed before Bar Council of India for the final decision.

43. Standard test for recognition

Recognition of Degree in law of a foreign University for the purpose of enrolment as Advocate in India would depend on the following criteria of standards that:
(i) The degree in law shall be a degree offered either after graduation from an approved University by the Bar Council of India under the Rules of Legal Education, 2008; or shall be an integrated double degree program offered after 10+2 or 11+1 or 12th standard school education.

(iv) The course shall contain, mutatis mutandis, subjects of studies, which are prescribed as compulsory subjects, by the Bar Council of India on recommendation of the Centres of Legal Education from time to time, in the LL.B. program of a recognized University in India for the purpose of enrolment.

44. Determination of Equivalence

The Legal Education Committee may lay down standard for determining equivalence in case for the following for the purpose as stipulated:

(a) Certificates obtained from Institutions to be regarded as equivalent to Qualifying Examination for admission in Integrated or LL.B. Law course;

(b) Bachelor Degree in Law obtained from a Foreign University in order to apply for taking the Bar Test in India and consequently for admission in to the Rolls;

Master Degree in Law obtained from a Foreign University for the purpose of applying for academic, research, and professional assignments in any public office of private institutions in which LL.M. is a qualifying degree.

(The following rule for “Equivalence Certificate” was drafted by Mr. Bhoj Chander Thakur as directed by the Academic Committee)
(a) A person having obtained a ‘degree in law’ from any University outside the territory of India or having obtained any other foreign qualification in law by following a regular course, may apply to Bar Council of India for grant of ‘Equivalence Certificate’ certifying that such a degree or qualification is equivalent to a degree in law granted by an University in India duly recognized by it.

(b) Such an applications shall be in a prescribed format accompanied by duly certified copies of the following documents in support thereof:

(i) Pass certificate in Higher Secondary Examination (+2) or its equivalent as described in Rule 47 on the basis of which the applicant was admitted to the course for ‘degree in law’, if any;

(ii) Bachelor Degree in any stream from a University or its equivalent as described in Rule 47 on the basis of which the applicant was admitted to the course for ‘degree in law’, if any;

(iii) ‘Degree in law’ qua which Equivalence Certificate is sought;

(iv) Any other document/certificate/degree sought to be relied upon by the applicant.

(c) All such applications with requisite office noting shall be caused to be placed by the Secretary BCI before the Legal Education Committee which shall forward the same for opinion on equivalence sought for by the applicant to the Equivalence Committee.

(d) The Equivalence Committee of BCI shall base its opinion on the following norms of equivalence taken together:

(i) In case the applicant was admitted to a course for a ‘degree in law’ on the basis of Certificate/qualification qualification not mentioned in clause b (i) of this Rule, he/she should have attended regular classes for a minimum period of two years and the course content of such a Certificate/qualification should have been adequately similar or equivalent to the course content of the aforesaid Certificate/qualification;

(ii) In case the applicant was admitted to a course for ‘degree in law’ on the basis of Bachelor Degree not mentioned in clause (b) (ii) of this rule, the duration of the course leading
to the grant of the Bachelor Degree should not have been less than three (3) years and also the course content thereof should have been adequately similar or equivalent to the study course of Bachelor Degree in any stream as laid down by UGC;

(iii) 'Degree in law' in question shall be tested for the equivalence sought on the parameters laid down by rules 42 to rule 48 of these Rules and such guidelines as are issued by BCI and its’ Legal Education Committee on the basis of resolutions passed from time to time.

(e) The Equivalence Committee shall submit its’ opinion to the LEC of BCI on the following points:

(i) If the ‘degree in law’ obtained by the applicant is equivalent to a ‘degree in law’ granted by an University in India duly recognized by it;

(ii) If point No. (i) is opined in the negative, the deficiencies found in the foreign law degree can be compensated by passing a ‘Bridge Course Examination’, being taken by Bar Council of India twice every year after studying such Indian substantive and procedural law-subjects as are needed to practice law in India and prescribed by BCI from time to time as a regular student for a duration as it may deem it.

(iii) ‘Masters degree in law’ obtained from a foreign University can be considered for determining equivalence with other ‘degree in law’ e.g. LL B degree granted by an University in India.

Illustration: If LL B degree obtained from a foreign University is found to be not equivalent with LL B degree of an University in India, LL M degree may be considered for making up the deficiency in such a LL B degree, both in respect of duration and as to content of the course.

However, if ‘Masters degree in law’ obtained from a foreign University is not found to be equivalent to ‘Masters degree in law’ awarded by an University in India, the following degrees may be considered for making up the deficiencies for determining equivalence:
(a) M. Phil degree in law either from an Indian or a foreign University, if LL M Degree was obtained after completing LLB;

(b) Ph. D in law either from an Indian or a foreign University, if LLM was obtained without completing LLB;

Illustration: Suppose ‘A’ obtains LL B degree from a UK University as a first Bachelor Degree after studying for three years after Senior Secondary School Course (+2) or equivalent qualification and then completes LL M degree of one year duration.

In this case, he suffers from the following two deficiencies:

(a) Absence of Bachelor Degree from any discipline;

(b) Study period of only four (4) years after Senior Secondary School Course (+2) or an equivalent qualification leads to Masters degree in law whereas this duration is six (6) years in India in case LL. M course is of one year.

The second deficiency given in (b) is curable by doing M.Phil and both the deficiencies are cured by doing Ph. D. Thus the lacuna in LLM degree left by absence of Bachelor Degree from any discipline cannot be cured without having obtained LL. B in a regular course unless it is followed by Ph. D.

(f) Based on the opinion of the Equivalence Committee, the Legal Education Committee shall make any of the following recommendations to BCI with or without modifications but all such modifications shall be backed by reasons: -

(i) Application may be allowed and ‘Equivalence Certificate’ granted that the ‘degree in law’ obtained by the applicant is equivalent to a ‘degree in law’ granted by an University in India duly recognized by it;

(ii) Application may be allowed subject to the condition that grant of such an ‘Equivalence Certificate’ may be deferred till the applicant passes ‘Bridge Course Examination’ after studying such Indian substantive and procedural law-subjects as are needed to practice law in India and
prescribed by BCI from time to time as a regular student for a duration as it may deem it;

(iii) Application may be rejected.

The Equivalence Certificate shall be granted against payment of such equivalence fee as may be fixed by BCI from time to time.

45. Standard for determining Equivalence

The Legal Education Committee while setting the Best Practice Code for determining equivalence shall keep in view the following:

(a) Minimum Qualification (Qualifying Examination) for admission in Integrated Law course, which is presently a pass certificate in the Higher Secondary (+12 standard) examination; academic requirement for appearing such an examination to obtain the certificate; reasonable academic attainment required; policy of equivalence of the MHRD of the Government of India and the notification of equivalence, if any, by the Ministry of Human Resources of the Government of India.

(b) Minimum qualification (Qualifying Examination) for admission in to Three Years’ Law course, which is presently, a Bachelor Degree in any subject obtained from a University recognized by UGC under section 12 C of the UGC Act; duration of study for three years; reasonable knowledge and maturity in decision making expected, national or international accreditation of the Institution, if available; accreditation policy of the Association of Indian University; Policy and notification of equivalence by the MHRD of Government of India.

(c) Degree in Law obtained from a Foreign University to be declared as equivalent to allow for enrolment; Foreign University’s national and international accreditation record, time-length of the course, number of total credit courses to be examined; regular course, admission standard and standard of qualifying examination for
admission, over-all evaluation of status, reciprocal arrangements with the professional bodies.

(d) Master Degree in Law obtained from a Foreign University, the program details to be compared with that of an Indian University; Equivalence Policy of the Association of the Indian Universities, National and International accreditation rating, MHRD’s policy and notifications, guideline of UGC, if any.

(e) LEC may refer any matter of equivalence or of academic nature to the Academic Committee for its recommendation.

46. **Only regular course of study to be considered**

An Individual/University/Law School of a Foreign country may apply for equivalence of (a) a Qualifying Examination for admission into a Course on professional legal education in India or (b) a Bachelor Degree in Law for the purpose of enrolment into the Bar or (c) a Master Degree in Law for applying for research, teaching or professional engagement or employment in a Government or Private Institutions, if such a course of study has been conducted as a regular course of study in the Institution, University, Law School, respectively, as the case may be.

**Explanation 1**

No course conducted by an open University or on-line or in distance mode of learning shall be considered for equivalence to (a) a Certificate for Higher Secondary Examination (+2 standard) or its equivalence for admission into a Law Degree course of either description;

**Explanation 2**

No Bachelor Degree in Law obtained from a Foreign University as the first Bachelor Degree of the University shall be considered as equivalence to Bachelor Degree in Law obtained from an Indian University for the purpose of enrolment into the Bar.
Explanation 3

No Master Degree in Law (LL.M.) obtained from any Foreign University not requiring a Bachelor Degree in Law for admission into the Master Degree course in Law shall be considered as equivalent to LL.M. degree obtained from an Indian University for the purpose of applying for research, teaching or professional assignment of any public or private enterprise. [LEI]

47. Bridge Course

(1) If an Indian Student obtains a degree in law after studying in a regular course in a Foreign University recognized by the Bar Council of India but the said course being found to be not equivalent to LL.B. degree of an Indian University, he/she may be allowed to take the Bar test conducted by the Bar Council of India for Indian students obtaining Degree in Law from a Foreign University, only after he/she successfully completes any enabling “Bridge Course” on Indian laws for such duration and conducted by such Institutions as may be stipulated by the Bar Council of India or any Institution recognized or run by Bar Council of India for this purpose.

(2) If any person obtains a Master Degree in Law (LL.M.) from a foreign University but the same has been found to be not equivalent for reason specified excepting when LL.M. in a Foreign University is allowed without having an LL.B. qualification, such a person may be allowed to take an M.Phil. course in Law with any Indian or Foreign University for curing such a lapse.

However, when LL.M. degree program is allowed to one not having an LL.B. degree, such a lapse cannot be rectified without going through a regular LL.B. program.

ILLUSTRATION

Suppose A has obtained LL.B. degree from a U.K. University as the first Bachelor degree after studying three years and then prosecuted LL.M. degree for a year. A has two latches in determining equivalence to the LL.B. degree of an Indian University. These two latches are (i) absence of a Bachelor degree from any discipline, and (ii)
studies Law for 4 years to obtain the Master degree in Law. The Legal Education Committee may cure the second lapse by prescribing M.Phil. course, and both the lapses by prescribing Ph.D.
